

I swear to god

Fill in the gaps

	That in the (5) end
I need you	We're gonna be the (6) (7) standing
Right here, by my side	We'll never Fall
You're everything	We'll never fade
I'm not in my life	I'll promise you forever
We're indestructable	And my soul today
We are untouchable	No matter what
Nothing can take us down tonight	Until in the bitter end
You are so beautiful	We're gonna be
It (1) be criminal	The last ones standing
That you colud be mine	And everybody said
And we will make it out alive	That we would never last
I'll (2) you	And if they saw us now
This love will never die	I bet they'd take it back
No matter what	It doesn't matter
I got your back	What we do or what we say
I'll take a bullet for you	'Cause nothing matters anyway!
If it comes to that	No matter what
I (3) to god	I got your back
That in the bitter end	I'll take a bullet for you
We're gonna be the last ones standing	If it comes to that
So believe me	I (8) to god
When I say	That in the bitter end
You're the one	We're gonna be
They'll never forgive us	The last one standing
For the things, we've done	We'll never fall
And we will make it out alive	We'll (9) fade
I'll promise you	No matter what
This love will (4) die	Until the (10) end
No matter what	We're gonna be
I got your back	The last ones standing
I'll take a bullet for you	
If it comes to that
