Sometimes he's afraid to turn on the light	You (13) know she (14) looks good
He doesn't (1) who he sees	She ain't made for those magazines
I thought he knew how to judge it right	Full of photo (15) queens
But just how wrong could I be	Telling her how she should be
He hopes to (2) (3) new tonight	Oh there's no doubt about it
in a ideal world	She's as real
This is how she'll be	As a woman can be
She don't always have to (4) up	He keeps on searching for her
She don't wear makeup	She can't be (16) far away from him
'Cause she cames (5) too well	Even (17) he knows (18) he wants
In the first light of morning	He keeps (19) fooled by this trickery
You (6) know she still looks good	Because he cannot ask for all that he can see
She ain't (7) for those magazines	I don't come easily
Full of (8) shop queens	She don't always have to dress up
Telling her how she should be	She don't wear makeup
Oh there's no doubt about it	'Cause she (20) herself too well
She's as real	In the first (21) of morning
As a woman can be	You just know she still (22) good
Too many people spend all of (9) time	She ain't made for those magazines
Looking for perfection	Full of photo shop queens
I thought he knew (10) perfect was	Telling her how she should be
Oh but now on reflection	Oh there's no (23) about it
He hopes to find someone new tonight	She's as real
Gonna take his worngs turn them (11) right	As a woman can be
She don't (12) have to dress up	
She don't wear makeup	
'Cause she cames herself too well	
In the first light of morning
