Real Woman by Chila Lynn

In the first light of morning

Fill in the gaps

Sometimes he's afraid to turn on the light	You just know she still looks good
He doesn't know who he sees	She ain't (7) for those magazines
I thought he knew how to judge it right	Full of photo shop queens
But just how (1) could I be	Telling her how she should be
He hopes to (2) someone new tonight in a ideal	Oh there's no doubt about it
world	She's as real
This is how she'll be	As a woman can be
She don't always have to dress up	He keeps on searching for her
She don't wear makeup	She can't be that far away from him
'Cause she cames herself too well	Even though he knows what he wants
In the first (3) of morning	He keeps gettin fooled by this trickery
You just know she still looks good	Because he cannot ask for all that he can see
She ain't made for those magazines	I don't (8) easily
Full of photo shop queens	She don't always have to dress up
Telling her how she should be	She don't wear makeup
Oh there's no doubt (4) it	'Cause she cames herself too well
She's as real	In the first light of morning
As a woman can be	You just know she still looks good
Too many (5) spend all of their time	She ain't made for those magazines
Looking for perfection	Full of photo shop queens
I thought he knew what perfect was	Telling her how she (9) be
Oh but now on reflection	Oh there's no doubt about it
He hopes to (6) someone new tonight	She's as real
Gonna take his worngs turn them into right	As a (10) can be
She don't always have to dress up	
She don't wear makeup	
'Cause she cames herself too well
