

Now I live with the regret

Fill in the gaps

If Tomorrow Never Comes by Ronan Keating

Sometimes late at night	That my (11) feelings for them
I lie awake and watch her sleeping	Never (12) revealed
She's (1) in (2) dreams	So I made a promise to myself
So I turn out the lights	To say each day how (13) she (14)
And lay there in the dark	to me
And the thought crosses my mind	And avoid (15) circumstance
If I never wake up in the morning	Where there's no second chance
Would she ever doubt	To tell her how I feel
The way I feel about her in my heart	If (16) never comes
If tomorrow never comes	Will she know how much I (17) her
Will she know how much I loved her	Did I try in every way
Did I try in every way	To show her every day
To show her every day	That she's my (18) one
That she's my (3) one	And if my (19) on earth were through
And if my (4) on earth (5) through	And she must (20) (21) world
And she (6) face this world (7)	(22) me
me	Is the love I gave her in the past
Is the love I gave her in the past	Gonna be (23) to last
Gonna be enough to last	If tomorrow (24) comes
If tomorrow (8) comes	So (25) (26) someone that you love
'Cause I've (9) loved ones in my life	Just what you're (27) of
Who (10) knew how much I loved them	If tomorrow never comes
