Just My Imagination by The Cranberries

There was a game we used to play	It was
We would hit the (1) on Friday night	There is a game I (9) to play
And stay in bed (2) Sunday	I (10) to hit the (11) on Friday night
We used to be so free	And stay in bed (12) Sunday
We were (3) for the love we had and	We'll always be this free
Living not for reality	We (13) be living for the love we have
Just my imagination	Living not for reality
Just my imagination	It's not my imagination
Just my imagination	It's not my imagination
It was	It's not my imagination
Just my imagination	It was
Just my imagination	Not my imagination
Just my imagination	It's not my imagination
It was	Not my imagination
There was a time I (4) to pray	It was
I have (5) kept my faith in love	Not my (Not My)
It's the (6) thing (7) the man	
above	(Laaaa aaaa)
The game I used to play	My imagination
I've always put my cards upon the table	My imagination
Let it never be said (8) I'd be unstable	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
It was	
Just my imagination	
Just my imagination
