So don't bother

She's got the kind of look	I won't die of deception
That defies gravity	I promise you won't ever see me cry
She's the greatest cook	Don't feel sorry
And she's fat free	Don't bother
She's been to private school	I'll be fine
And she speaks perfect French	But she's waiting
She's got the perfect friends	The ring you (8) to her will lose its shine
Oh isn't she cool	So don't bother, be unkind
She practices Tai Chi	For you, I'd give up all I own
She'd never (1) her nerve	And move to a communist country
She's more (2) you deserve	If you came with me, of course
She's just far (3) me	And I'd file my nails
Hey, hey	So they don't hurt you
So don't bother	And lose those pounds
I won't die of deception	And learn about football
I promise you won't (5) see me cry	If it made you stay
Don't feel sorry	But you won't
And don't bother	But you won't
I'll be fine	So don't bother
But she's waiting	I'll be fine, I'll be fine, I'll be fine, I'll be fine
The ring you gave to her will (6) its shine	Promise you won't ever see me cry
So don't bother, be unkind	And (9) all I'm glad (10) I'm not you
I'm sure she doesn't know	type
How to touch you like I would	Promise you won't ever see me cry
I beat her at that one good	Don't bother
Don't you think so?	I'll be fine, I'll be fine, I'll be fine
She's (7) six feet tall	Promise you won't ever see me cry
She must think I'm a flea	And after all I'm glad that I'm not your type
I'm really a cat you see	Not your type, not your type, not your type
And it's not my last life at all	Promise you won't ever see me cry
