SUB inglés

And I will (6)_____ out that we can baby

Fill in the gaps

Free Loop (One Night Stand) by Daniel Powter

I'm a little used to calling (1) your name	We can do a one night stand (yeah)
I won't see you tonight so I can keep from going insane	And it's (7) for me to lose in my life
But I don't know enough	I've found outside your skin right near the fire
I get some kinda lazy day (hey, yeah)	That we can baby
I've been fabulous through to fight my town a name	We can change and feel alright
I'll be (2) tomorrow	'Cause it's hard for me to lose
If I don't leave as them both the same	In my life I've found only time will tell
But I don't know enough	I will figure out that we can baby
I get some kinda lazy day (hey, yeah)	We can do a one night stand (yeah)
'Cause it's hard for me to lose	And it's (8) for me to lose in my life
In my life I've found only time will tell	I've found outside your skin right near the fire
And I will figure out that we can baby	That we can baby
We can do a one night stand (yeah)	We can change and feel alright
And it's hard for me to (3) in my life	'Cause it's hard for me to lose
I've found outside (4) skin right near the fire	In my life I've found only time will tell
That we can baby	And I will figure out that we can baby
We can change and feel alright	We can do a one night stand (yeah)
I'm a (5) used to wandering outside the rain	(And it's hard for me to lose in my life)
You can leave me tomorrow if it suits you just the same	(I've (9) outside your skin right (10)
But I don't know enough	the fire)
I need someone who leaves the day (hey yeah)	(That we can baby)
'Cause it's hard for me to lose	(We can change and feel alright)
In my life I've found only time will tell
