## Free Loop (One Night Stand) by Daniel Powter

rm a little used to calling outside your name	we can do a one night stand (yean)
I won't see you tonight so I can keep from (1)	And it's hard for me to lose in my life
insane	I've found outside your skin right near the fire
But I don't know enough	That we can baby
I get some kinda lazy day (hey, yeah)	We can change and feel alright
I've been fabulous through to fight my town a name	'Cause it's hard for me to lose
I'll be stooped tomorrow	In my (8) I've found only time (9) tell
If I don't leave as (2) both the same	I (10) figure out that we can baby
But I don't know enough	We can do a one night stand (yeah)
I get some kinda lazy day (hey, yeah)	And it's hard for me to lose in my life
'Cause it's hard for me to lose	I've found outside your skin right near the fire
In my life I've found only time will tell	That we can baby
And I will figure out that we can baby	We can change and feel alright
We can do a one night stand (yeah)	'Cause it's hard for me to lose
And it's hard for me to lose in my life	In my life I've found only time will tell
I've (3) outside your (4) right near the	And I will figure out that we can baby
fire	We can do a one night stand (yeah)
That we can baby	(And it's hard for me to lose in my life)
We can change and feel alright	(I've found outside your skin right near the fire)
I'm a little used to wandering outside the rain	(That we can baby)
You can leave me tomorrow if it suits you just the same	(We can change and feel alright)
But I don't (5) enough	
I need someone who leaves the day (hey yeah)	
'Cause it's hard for me to lose	
In my (6) I've found only time (7) tell	
And I will figure out that we can baby
