

## Fill in the gaps

| Looking back I (1) see            | Hard to know which way to go        |
|-----------------------------------|-------------------------------------|
| What it is that's killing me      | Will I (12) (13) this day?          |
| Through the (2) of one I know     | Will it ever change?                |
| I see a (3) once let go           | Will they open their eyes           |
| I had it all                      | And (14) we are one?                |
| Constantly it burdens me          | Still (15) we carry on              |
| Hard to trust and can't believe   | I (16) our day will come            |
| Lost the faith and lost the love  | When (17) open (18) eyes            |
| When the day is done              | And realize we are one?             |
| Will (4) (5) their eyes           |                                     |
| And (6) we are one?               | Will they open their eyes           |
| On and on we stand alone          | And realize we are one?             |
| Until our day has come            | (It's (19) to (20) this path alone) |
| When they open their eyes         | (Hard to know which way to go)      |
| And realize we are one?           | Will they (21) their eyes           |
|                                   | And (22) we are one?                |
| I love the way I feel today       | (Lost the (23) and lost the love)   |
| But how I know the sun (7) fade   | (When the day is done)              |
|                                   | Will (24) (25) (26) eyes            |
| Darker (8) to be                  | And realize we are one?             |
| What will (10) in me              |                                     |
| But still I run                   |                                     |
| It's hard to walk this path alone |                                     |
