

Fill in the gaps

I'm sitting in a room	Because (8) road is all you'll (9) have
Made up of only big white walls and in the halls	And it's (10) that you're dying, dying
There are people looking through	Just living proof (11) the camera's lying
The (1) in the door and they (2)	And oh-oh-open wide, 'cause (12) is your night
exactly	So smile
What we're here for	Yeah, yeah you're (13) for it
Don't look up (3) let them think	With (14) breath that you (15)
There's no place else you'd rather be	in
You're always on display	Just (16) it in
For everyone to watch	Yeah, yeah (17) you're just a mess
And (4) from don't you know by now	You do all this big talking
You can't turn back	So now let's see you walk it
Because this road is all you'll (5) have	I said let's see you walk it
And it's obvious that your dying, dying	Yeah, yeah well you're (18) a mess
Just living proof that the camera's lying	You do all this big talking
And oh-oh-open wide, 'cause this is (6) night	So now let's see you walk it
So smile, 'cause you'll go out in style	I (19) let's see you (20) it
You'll go out in style	And it's (21) you're dying
If you let me I could	dying
I'd show you how to (7) your fences	Just (23) (24) (25)
Set restrictions, separate from the world	the camera's lying
The constant battle that you hate to fight	And oh-oh-open wide
Just blame the limelight	Yeah, oh-oh-open wide
Don't look up Just let them think	Yeah, oh-oh-open wide
There's no place else you'd rather be	Cause you'll go out in style
And now you can't turn back	You'll go out in style
