

I'm sitting in a room

Fill in the gaps

Because this road is all you'll (8)_____ have

Made up of (1) big white walls and in the halls	And it's obvious that you're dying, dying
There are people looking through	Just living proof that the camera's lying
The window in the door and they (2) exactly	And oh-oh-open wide, 'cause this is your night
What we're (3) for	So smile
Don't look up just let them think	Yeah, yeah you're asking for it
There's no (4) (5) you'd rather be	With (9) breath that you (10)
You're always on display	in
For everyone to watch	Just breathe it in
And learn from don't you know by now	Yeah, yeah well you're just a mess
You can't turn back	You do all this big talking
Because this road is all you'll ever have	So now let's see you walk it
And it's obvious that your dying, dying	I said let's see you walk it
Just living proof that the camera's lying	Yeah, yeah well you're just a mess
And oh-oh-open wide, 'cause this is your night	You do all this big talking
So smile, 'cause you'll go out in style	So now let's see you walk it
You'll go out in style	I said let's see you walk it
If you let me I could	And it's obvious that you're dying, dying
I'd show you how to build your fences	Just living proof that the camera's lying
Set restrictions, separate from the world	And oh-oh-open wide
The (6) battle that you hate to fight	Yeah, oh-oh-open wide
Just blame the limelight	Yeah, oh-oh-open wide
Don't look up Just let them think	Cause you'll go out in style
There's no (7) else you'd rather be	You'll go out in style
And now you can't turn back
