

Marry me

Fill in the gaps

	If I ever get the nerve to say
Forever can never be long enough for me	Hello in this cafe
Feel (1) I've had long enough with you	Say you will
Forget the (2) now we won't let (3)	(Mm-hmm)
see	Say you will
But there's one (4) left to do	(Mm-hmm)
Now that the weight has lifted	Promise me
Love has surely shifted my way	You'll (8) be
Marry Me	Happy by my side
Today and (5) day	I promise to
Marry Me	Sing to you
If I (6) get the (7) to say	When all the music dies
Hello in this cafe	And (9) me
Say you will	Today and everyday
(Mm-hmm)	Marry me
Say you will	If I ever get the nerve to say
(Mm-hmm)	Hello in this cafe
Together can never be close enough for me	Say you will
Feel like I am close enough to you	(Mm-hmm)
You wear white and I'll wear out the words	Say you will
I love you	(Mm-hmm)
And you're beautiful	Marry me
Now that the wait is over	(Mm-hmm)
And love has finally shown her my way	
Marry me
