

## Fill in the gaps

| Forever can never be long (1) for me       |
|--|
| Feel like I've had (2) enough with you     |
| Forget the world now we won't let them see |
| But there's one thing left to do           |
| Now that the (3) has lifted                |
| Love has (4) shifted my way                |
| Marry Me                                   |
| Today and every day                        |
| Marry Me                                   |
| If I (5) get the (6) to say                |
| Hello in this cafe                         |
| Say you will                               |
| (Mm-hmm)                                   |
| Say you will                               |
| (Mm-hmm)                                   |
| Together can never be close enough for me  |
| Feel like I am close enough to you         |
| You (7) white and I'll wear out the words  |
| I love you                                 |
| And you're beautiful                       |
| Now (8) the wait is over                   |
| And love has (9) shown her my way          |
| Marry me                                   |
| Today and every day                        |
| Marry me                                   |
