

Fill in the gaps

Call you up in the (1) of the night	With a ticket for a (15) train
Like a firefly (2) a light	And everything seems cut and dried
You were there like a blowtorch burning	Day and night, earth and sky
I was a key (3) could use a little turning	Somehow I just don't believe it
So tired that I couldn't (4) sleep	Runaway train, never going back
So many secrets I couldn't keep	Wrong way on a one-way track
Promised (5) I wouldn't weep	Seems like I should be getting somewhere
One more promise I couldn't keep	Somehow I'm neither (16) nor there
It seems no one can help me now	Bought a ticket for a (17) train
I'm in too deep there's no way out	Like a madman laughing at the rain
This time I have really led (6) astray	A (18) out of touch, a (19)
Runaway train, never going back	insane
Wrong way on a one-way track	It's (20) easier than (21) with
Seems (7) I (8) be getting	the pain
somewhere	Runaway train, never going back
Somehow I'm neither here nor there	Wrong way on a one-way track
Can you help me (9) how to smile?	Seems like I should be getting somewhere
Make it somehow all seem worthwhile	Somehow I'm neither (22) nor there
How on (10) did I get so jaded?	Runaway train, never coming back
Life's (11) so faded	Runaway train, tearing up the track
I can go (13) no one else can go	Runaway train, burning in my veins
I (14) what no one else knows	I run away but it always (23) the same
Here I am just a-drownin' in the rain
