

Fill in the gaps

Out Is Through by Alanis Morissette

Every time you raise your voice
I see the (1)_____ grass
Every time you run for cover
I see this pasture
Every time we're in a funk
I picture a different choice
Anytime we're in a rut
This distant grandeur
My tendency to want to do away
Feels (2)_____ and
My urgency to dream of softer places
Feels understandable
The only way out is through
The (3)_____ we're in the better
The only way out is through
Ultimately
The only way out is through
The only way we'll (4)_____ better
The (5)_____ way out is through
Ultimately
Every (6)_____ I'm confused
I think (7)_____ must be easier ways
Every time our (8)_____ are locked
I'm towel throwing
Every time we're at a loss
We've bolted from difficulty
Anytime we're in stalemate of (9)_____ bowing
My (10)_____ to want to hide away
Feels easier and
The immediacy is picturing another place
Comforting to go
The only way out is through
The faster we're in the better
The only way out is through
Ultimately
The only way out is through

The only way we'll feel better
The only way out is through
Ultimately
We could (11)_____ (12)_____ away and
Hide our heads in the sand
We could just call it quits
Only to start all (13)_____ again
With (14)_____ else
Every (15)_____ we're stuck in struggle
I'm down for the (16)_____ (17)_____ day
Every time I dream of (18)_____ fix
I'm assuaged
Now I know it's (19)_____ when it's through
And I'm damned if I don't know quick fix way
But (20)_____ (21)_____ me
silence now outdated
My tendency to want to run feels unnatural now
The (22)_____ to want to give to you
I don't (23)_____ most feels good
The only way out is through
The faster we're in the better
The only way out is through
Ultimately
The only way out is through
The only way we'll (24)_____ better
The only way out is through
Ultimately
The only way out is through
The faster we're in the better
The only way out is through
Ultimately
The only way out is through
The (25)_____ way we'll get better
The only way out is through
Ultimately

Fill in the gaps

Answer

1. greener
