

We all had a thing or two to learn

Fill in the gaps

Forgiven (Acoustic) by Alanis Morissette

You know how us Catholic girls can be	We all needed something to cling to
We make up for so much time a little too late	So we did
I never forgot it, confusing as it was	What I learned I (6) but I believe again
No fun with no guilt feelings	I will suffer the consequence of this inquisition
The sinners, the saviors, the loverless priests	If I jump in this fountain
I'll see you (1) Sunday	Will I be forgiven
We all had our reasons to be there	We all had our reasons to be there
We all had a thing or two to learn	We all had a (7) or two to learn
We all needed something to cling to	We all (8) to cling
So we did	to
I (2) Alleluia in the choir	So we did
Alleluia, alleluia, alleluia	We all had delusions in our head
I confessed my darkest deeds to an envious man	We all had our minds made up for us
My brothers	We had to believe in something
They never went (3) for what (4) did	So we did
but	
I may as well have	So we did
In the name of the Father	
The Skeptic and the Son	So we did
I had one more (5) question	
We all had our reasons to be there	

- 1. next
- 2. sang
- 3. blind
- 4. they
- 5. stupid
- 6. rejected
- 7. thing
- 8. needed
- 9. something
