

Stay, stay

Fill in the gaps

My whole (1) (2) for the right	'Cause all my life I felt (14) way
time	But I could never find the (15) to say
And to (3) you how I feel	Stay, stay
I know I try to tell you (4) I need you	So you change your mind
And (5) I am (6) you	And say you're mine
I feel so lost but what can I do?	Don't leave tonight
'Cause I (7) (8) love (9)	Stay
real	Say goodbye in the (16) rain
But I don't know how to feel	And I (17) (18) as you walk away
We say goodbye in the pouring rain	Stay, stay
And I break down as you (10) away	'Cause all my life I (19) this way
Stay, stay	But I (20) (21) find the words to
'Cause all my life, I felt this way	say
But I could never find the words to say	Stay, stay
Stay, stay	Stay (22) me
Alright, everything is alright	Stay with me
Since you (11) along	Stay (23) me
And before you	Stay with me
I had nowhere to run to	Stay
And nothing to hold on to	Stay
I came so (12) to giving it up	Stay
And I (13) if you know	Stay with me
How it feels to let you go?	
You say goodbye in the pouring rain	
And I break down as you walk away
