Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together	But I don't wanna live that way	
Like when you said you felt so happy you could die	Reading into every word you say	
Told myself that you were right for me	You said that you could let it go	
But felt so lonely in your company	And I wouldn't catch you hung up	
But that was love and it's an ache I still remember	On (4)	that you used to know
You can get addicted to a certain (1) of sadness	But you didn't (5)	to cut me off
Like resignation to the end, always the end	Make out like it never happened	
So when we found that we could not make sense	And that we were nothing	
Well, you said that we would still be friends	And I don't even need your love	
But I'll admit that I was glad that it was over	But you treat me like a stranger	
But you didn't have to cut me off	And that feels so rough	
Make out like it never happened	You didn't have to stoop so low	
And that we were nothing	Have your friends collect your records	
And I don't even (2) your love	And (6) (7) your number	
But you treat me like a stranger	I (8) that I don't need that though	
And that feels so rough	Now you're just somebody that I used to know	
You didn't have to stoop so low	Somebody, I used to know	
Have your friends collect your records	Somebody, now you're just somebody (9) I used to	
And then change your number	know	
I guess that I don't need that though	Somebody, I used to know	
Now you're just somebody that I used to know	Somebody, now you're just somebody that I used to know	
Now you're just somebody that I used to know	I used to know	
Now you're just somebody that I used to know	That I used to know	
Now and (3) I think of all the times you screwed	I used to know, somebody
