Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together

Like (1)_____ you said you felt so happy you could die

Told (2)_____ that you were right for me

But felt so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain (3)_____ of sadness

Like (4)_____ to the end, always the end

So when we found that we could not make sense

Well, you said that we would still be friends

But I'll admit that I was glad that it was over

But you didn't (5)_____ to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And (6)_____ change your number

I guess that I don't need (7)_____ though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over

But had me believing it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up

On somebody that you used to know

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess (8)_____ I don't (9)_____ that though

Now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just (10)_____ that I used to know

I used to know

That I used to know

I used to know, somebody
