Somebody That I Used To Know by Gotye & Kimbra

Now and then I (1) of when we (2)	But I don't wanna live that way
together	Reading into every word you say
Like (3) you said you felt so (4) you	You (18) that you could let it go
(5) die	And I wouldn't catch you (19) up
Told myself (6) you (7) right for me	On somebody that you used to know
But felt so lonely in your company	But you didn't have to cut me off
But that was love and it's an ache I still remember	Make out like it never happened
You can get addicted to a certain kind of sadness	And that we were nothing
Like resignation to the end, always the end	And I don't even need your love
So when we found that we could not make sense	But you treat me like a stranger
Well, you said that we (8) still be friends	And (20) feels so rough
But I'll admit that I was glad that it was over	You didn't (21) to stoop so low
But you didn't have to cut me off	Have (22) friends collect your records
Make out like it (9) happened	And then (23) your number
And (10) we were nothing	I guess (24) I don't need that though
And I don't even need your love	Now you're just somebody that I (25) to know
But you treat me (11) a stranger	Somebody, I used to know
And that feels so rough	Somebody, now you're just somebody that I (26) to
You didn't have to stoop so low	know
Have your friends collect (12) records	Somebody, I used to know
And then change your number	Somebody, now you're just somebody that I (27) to
I guess that I don't need that though	know
Now you're just somebody that I used to know	I used to know
Now you're (13) somebody (14) I used	That I used to know
to know	I used to know, somebody
Now you're just somebody that I used to know	
Now and (15) I think of all the times you	
(16) me over	
But had me believing it was (17) something	
that I'd done
