## Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of (1) we were together	But I don't wanna live that way
Like when you said you felt so happy you could die	Reading into every word you say
Told myself that you were right for me	You said that you could let it go
But felt so lonely in your company	And I wouldn't catch you hung up
But that was love and it's an ache I still remember	On somebody that you used to know
You can get addicted to a (2) kind of	But you didn't have to cut me off
sadness	Make out like it never happened
Like resignation to the end, always the end	And that we were nothing
So when we found that we could not make sense	And I don't even need your love
Well, you said that we would still be friends	But you treat me like a stranger
But I'll admit that I was glad that it was over	And that feels so rough
But you didn't have to cut me off	You didn't (8) to stoop so low
Make out like it never happened	Have your friends collect your records
And that we were nothing	And then change your number
And I don't even (3) your love	I guess that I don't need that though
But you treat me like a stranger	Now you're just somebody that I used to know
And that feels so rough	Somebody, I (9) to know
You didn't have to stoop so low	Somebody, now you're just somebody that I used to know
Have (4) friends collect your records	Somebody, I used to know
And then change your number	Somebody, now you're just (10) that
I guess that I don't (5) that though	used to know
Now you're just somebody (6) I used to know	I used to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I used to know	I used to know, somebody
Now and then I think of all the times you screwed me over	
But had me believing it was always (7)	
that I'd done
