Fill in the gaps

What You're Made Of by Lucie Silvas

Just like I predicted	I deserve much more than this
We're at the point of no return	'Cause there's only one thing I want
We can't go backwards	If it's not what you're made of
And no corners have been turned	You're not what I'm looking for
I can't control it	You were willing but unable
If I sink or if I swim	To give me anymore
'Cause I chose the waters that I'm in	There's no way you're changing
And it makes no difference	'Cause some things will just never be mine
Who is right or wrong	You're not in (5) this time
I deserve much more than this	But it's alright
'Cause there's only one (1) I want	What's your definition of the one?
If it's not what you're made of	(Oh)
You're not what I'm looking for	What you really (6) him to become?
You were willing but unable	(Oh)
To give me anymore	No matter what I sacrifice it's still never enough
There's no way you're changing	Just like I predicted
'Cause some things will just never be mine	I will (7) before I swim
You're not in love (2) time	'Cause these are the waters that I'm in (oh)
But it's alright	If it's not what you're made of
(Oh oh oh)	You're not what I'm looking for
I hear you talking	You were willing but unable
But your (3) don't mean a thing	To give me anymore
I doubt you ever	There's no way you're changing
Put your heart in anything	'Cause some things will just never be mine
It's not much to ask for	You're not in love this time
To get back what I put in	You're not in (8) (9) time
But I (4) the waters that I'm in	You're not in (10) this time
And it makes no difference
