

Fill in the gaps

Go!	I was a creature before I (14) stand
Stapled shut, inside an outside world and I'm	I will remember before I forget
Sealed in tight, bizarre but right at home	Before I forget that!
Claustrophobic, (1) in and I'm	I am a worm before I am a man
Catastrophic, not again	I was a creature (15) I could stand
I'm (2) across the page	I (16) remember (17) I forget
And doused in gasoline	Before I forget that!
I wear you like a stain	My end
Yet I'm the one who's obscene	It (18) my means
Catch me up on all (3) sordid (4)	All I ever do is delay
insurrections	My every attempt to evade
I've got no time to lose	The end of the road and my end
And I'm (5) caught up in all the cattle	It justifies my means
Fray the strings	All I ever do is delay
Throw the shapes	My every (19) to evade
Hold (6) breath	The end of the road!
Listen!	I am a worm before I am a man
I am a (7) (8) I am a man	I was a creature (20) I could stand
I was a (9) before I could stand	I will remember before I forget
I will remember before I forget	Before I (21) that!
Before I forget that!	I am a worm before I am a man
I'm ripped across the ditch	I was a creature (22) I could stand
And settled in the dirt and	I will remember before I forget
I wear you (10) a stitch	Before I (23) that!
Yet I'm the one who's hurt	I am a worm before I am a man
Pay (11) to your twisted	I was a creature before I (24) stand
(12) indiscretions	I will (25) (26) I forget
I've got no right to win	Before I forget that!
I'm just caught up all the battles	Yeah, yeah, OH!
Locked in clutch	
Pushed in place	
Hold (13) breath	
Listen!	
I am a worm before I am a man
