

Fill in the gaps

Stapled shut, inside an outside world and I'm
Sealed in tight, bizarre but right at home
Claustrophobic, closing in and I'm
Catastrophic, not again
I'm smeared across the page
And (1) in gasoline
I wear you (2) a stain
Yet I'm the one who's obscene
Catch me up on all your sordid little insurrections
I've got no time to lose
And I'm just caught up in all the cattle
Fray the strings
Throw the shapes
Hold your breath
Listen!
I am a worm before I am a man
I am a worm before I am a man I was a (3) before I could stand
I was a (3) before I could stand
I was a (3) before I could stand I will remember before I forget
I was a (3) before I could stand I will remember before I forget Before I forget that!
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch Yet I'm the one who's hurt
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch Yet I'm the one who's hurt Pay attention to your twisted little indiscretions
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch Yet I'm the one who's hurt Pay attention to your twisted little indiscretions I've got no right to win
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch Yet I'm the one who's hurt Pay attention to your twisted little indiscretions I've got no right to win I'm just caught up all the battles
I was a (3) before I could stand I will remember before I forget Before I forget that! I'm ripped across the ditch And settled in the dirt and I wear you (4) a stitch Yet I'm the one who's hurt Pay attention to your twisted little indiscretions I've got no right to win I'm just caught up all the battles Locked in clutch

My every attempt to evade
The end of the road!
