

## Fill in the gaps

Nothing's impossible	Hold on and never let me go
Nothing's unreachable	Will you stand by me?
When I am weary	With you I (5) I belong
You make me stronger	When the story gets told
This (1) is beautiful	I am blessed
So unforgettable	To find what I need
I feel no winter cold	In a world loosing hope
When we're together	You're my only belief
When we're together	You make things right
Will you stand by me?	Everytime after time
Hold on and never let me go	Will you stand by me? (stand by me)
Will you stand by me?	Hold on and never let me go
With you I know I belong	Will you stand, stand by me? (stand by me)
When the story (2) told	Will I be a (6) of your life?
When day turns into night	When the (7) gets told
I look into your eyes	(Woo)
I see my future now	Stand by me
All the world and its wonder	No more darling
This love won't fade away	See I (8) you by my side
And through the (3) days	See I need you here with me
I'll (4) question us	Stand by me
You are the reason	
My only reason	
Will you stand by me?
