### Fill in the gaps

### Every Rose Has It's Thorn (Live) by Miley Cyrus

We both lie silently still in the (1) of the night	I can still feel so much pain
Although we both lie close together	Like the knife that (12) you the wound heals
We feel miles apart inside	But the scar, that (13) remains
Was it something I said or something I did?	Every rose, every rose
Did my (2) not come out right?	Every rose has it's thorn
Tho' I (3) not to hurt you I tried	I (14) I could (15) (16) ou
But I guess that's why they say	love that night
Every rose has its thorn	If I'd known what to say
Just (4) every (5) has its dawn	Instead if making love
Just like (6) cowboy sings a sad, sad song	We both made our (17) (18)
Every rose has it's thorn	now
Yea it does	I hear you've found somebody new
I listen to your favorite song	And (19) I never meant (20)
Playing on the radio	(21) to you
Hear the DJ say love's a game of easy come and	And hear that tears me up inside
Easy go	And to see you cuts me (22) a knife
But I wonder does he know	Every rose, every rose, every
Has it ever (7) like this?	Has it's thorn
And I know that you'd be here right now	Just like (23) cowboy sings a sad, sad song
If I could have let you (8) somehow	Every rose has it's (24) (let me hear you)
Every rose has it's thorn	(Every (25) has it's thorn)
Just (9) every night has its dawn	Every rose, every rose, (26) rose, every
Just (10) every cowboy sings a sad, sad song	(Every rose) has it's thorn
Every rose has it's thorn	(Every cowboy) sings a sad, sad song
Though it's (11) a while now	(Every rose) has it's thorn
