

## Fill in the gaps

### Psychosocial by Slipknot

I did my time, and I want out!  
So effusive fade  
It doesn't cut, this soul is not so vibrant  
The reckoning, the sickening  
Back at your subversion  
Pseudo-sacred sick before dawn  
Go to your deserts, go dig your graves!  
Then (1)\_\_\_\_\_ your mouth with all the money you will  
save  
Sinking in, getting smaller again  
I'm done! It has begun, I'm not the (2)\_\_\_\_\_ one!  
And the rain will kill us all  
Throw ourselves against the wall  
But no-one else can see  
The (3)\_\_\_\_\_ of the martyr in me  
Psychosocial, psychosocial, psychosocial  
Psychosocial, psychosocial, psychosocial  
Oh, (4)\_\_\_\_\_ are (5)\_\_\_\_\_ in the road we  
lay  
But we're the devil filth, the secret death (6)\_\_\_\_\_ mad  
This is nothing new, but would we kill it all?  
The hate was all we had!  
Who needs another mess, we could (7)\_\_\_\_\_ over  
Just look me in the eyes and say I'm wrong!  
Now there's (8)\_\_\_\_\_ emptiness, burn elicit self threat  
I think we're done, I'm not the only one!  
And the rain will kill us all  
Throw ourselves against the wall  
But no-one else can see

The preservation of the martyr in me  
Psychosocial, psychosocial, psychosocial  
Psychosocial, psychosocial, psychosocial  
The limits of the dead  
Fate! Cannot catch this lie (psychosocial)  
I've tried to tell you thrice! (psychosocial)  
Your hurtful lies are giving out (psychosocial)  
Can't stop the killing (9)\_\_\_\_\_ (psychosocial)  
If it's something secret (psychosocial)  
Is this what you want? (psychosocial)  
I'm not the only one!  
And the rain (10)\_\_\_\_\_ kill us all  
Throw ourselves against the wall  
But no one else can see  
The preservation of the martyr in me  
And the rain will kill us all  
Throw ourselves against the wall  
But no one else can see  
The preservation of the martyr in me  
The limits of the dead  
The limits of the dead

Answer

1. fill
2. only
3. preservation
4. there
5. cracks
6. gone
7. start
8. only
9. idea
10. will
