

Fill in the gaps

I ve known races that have disappeared in time	Take this away
Find me wrapped in glass and slowly (1) in	Take this away
lime	I can feel it on my mouth
All my friends have pictures meant to (2) you cry	I can taste you on my fingers
I've seen this and wondered what I've done to	I can hear you like the Holy Ghost
Calcify (I (3) you)	And kill you if you get too close
As I close my eyes, I feel it all slipping away	As I close my eyes, I feel it all slipping away
(I come towards you)	(I come towards you)
We all got left behind, we let it all slip away	We all got left behind, we let it all (8) away
(I ignore you)	(I ignore you)
As I close my eyes, I feel it all slipping away	As I close my eyes, I feel it all slipping away
(I come (4) you)	(I come (9) you)
We all got left behind, we let it all slip away	We all got left behind
I can't (5) to see your thalidomide robot face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm (6) drowning	We let it all slip away!
(I ignore you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I come (7) you)	We let it all (10) away!
We all got left behind, we let it all slip away	We let it all slip away!
(I ignore you)	
As I close my eyes, I feel it all slipping away	
(I come towards you)	
We all got left behind, we let it all slip away
