## Fill in the gaps

(Oh eh hey, oh)	There's something in these futures
What we're living in	That we have to be told
_et me tell ya	Futures
t's a wonder that man can eat at all	Made of
When things are big that should be small	Virtual insanity, now
Who can tell	Always
What magic spells	Seem to
We'll be doing for us	Be (14) by this love we have for
And I'm (1) all my (2) to this world	Useless
Only to be told	Twisting
can't see	Of our new tecnology
can't breathe	Oh now (15) is no sound
No more will we be	For we all live underground (whoa!)
And nothing's going to change the way we live	Now there is no sound
Cause we can always take but (3) give	If we all (16) underground
And now that (4) are changing for the worse,	And now it's (17) insanity
see	Forget (18) (19) reality (oh!)
(Whoa!)	There's nothing so bad
t's a (5) world we're living in	as a man-made man
And I just can't see that half of us immersed in sin	Oh yeah, I know yeah
s all we have to give these	Futures
Futures	Made of
Made of	Virtual insanity now
Virtual insanity, now	Always
Always	Seem to
Seem to	Be governed by this love we (20) for
Be governed by this love we have for	Useless
Jseless	Twisting
Twisting	Our new tecnology
Of our new tecnology	Oh now there is no sound
Oh now (6) is no sound	For we all live (21) (oh!)
For we all live underground	Now this life that we live in
And I'm thinking (7) a mess we're in	It's all going wrong
Hard to (8) where to begin	Out of the window
f I could slip	Do you know
The (9) (10) that earthly man has	There is (22) worse than
made	A man-made man
And now every mother	I (23) there's nothing worse than
Can choose the colour	A (24) man
Of her child	(Yeah!)
	Virtual insanity is what we're living in
That's not nature's way	,
Well that's what (11) said yesterday	(Yeah)
There's nothing left to do but pray	It is alright?
(12) it's (13) to find a new religion	
(Whoa!)	
t's so insane
