And I don't wanna let you know

There might be something real between us two

Fill in the gaps

Stuck In The Moment by Justin Bieber

With you, (1) you	Who knew?
I wish we had another time	And we don't (7) fall
I wish we had another place	But we're tripping in our hearts
Now Romeo and Juliet	And it's reckless and clumsy
Bet they could never felt the way we felt	And I know you can't love me here
Bonnie and Clyde never had the highlight	I wish we had another time
We do, we do	I wish we had another place
You and I, both know it can't work	But everything we have is stuck in the moment
It's all fun and games 'til someone gets hurt	And there's (8) my heart can do
And I don't, I won't let that be you	To fight with time and space
Now you don't wanna let go	'Cause I'm (9) stuck in the moment with you
And I don't wanna let you know	See like just because this cold, cold world saying we can't be
There might be something real between us two	Baby, we both have the right to decide we
Who knew?	And I ain't with it
Now we don't (2) fall	And I don't wanna be so old and gray
But we're tripping in our hearts	Reminiscing 'bout these better days
And it's reckless and clumsy	But convention's telling us to let go
'Cause I know you can't love me here	So we'll never know
I wish we had another time	I wish we had another time
I wish we had another place	I wish we had another place
But everything we have is stuck in the moment	'Cause everything we did
And there's nothing my heart can do	And everything we have is stuck in the moment
To fight with time and space	Yeah
'Cause I'm (3) stuck in the moment	I wish we had another time
(4) you	I wish we had another place, oh, no, no
See like Adam and Eve, tragedy was a destiny	But everything we have is (10) in the moment
Like (5) and Cher, I don't care, I got you, baby	And there's nothing my heart can do
See we both fighting every (6) of our fiber	To fight with time and space
'Cause in a way it's gonna end right	I'm still stuck in the moment with you
But we are both too foolish to stop	
Now you don't wanna let go
