

## Fill in the gaps

## Mother Earth by Within Temptation

Birds and butterflies	Believing that your soul lives on
Rivers and mountains she creates	Until the end of time
But you'll (1) know	I'll carry it (5) me
The next move she'll make	She rules
You can try	Until the end of time
But it is useless to ask why	She gives and she takes
Cannot control her	She rules
She (2) her own way	Until the end of time
She rules	She goes her own way
Until the end of time	She rules
She (3) and she takes	Until the end of time
She rules	She (6) and she takes
Until the end of time	She rules
She goes her own way	Until the end of time
With (4) breath	Until the end of time
And all the choices that we make	Until the end of time
We are only passing through	She (7) her own way
On her way	
I find my strength
