

Fill in the gaps

Just a (1) day	Hope (13) alea
Streets turn (2) graves	Lost and so alone
Traces have (3) removed	Born but never known
The search was disapproved	Left all on (14) own
So cold the night	Forgotten children
The weak ones (4) the fight	We'll never hear a name
Too many of them out there	They (15) all the blame
Noone (5) to care	Too (16) to (17) the chains
Lost and so alone	Forgotten children
Born but (6) known	They see, (18) feel, believe
Left all on their own	Just (19) we do
Forgotten children	The're laughing and crying
We'll never (7) a name	Wanna (20) here
They carry all the blame	Like me and you
Too young to (8) the (9)	It shouldn't really be that way
Forgotten children	It shouldn't really be that way
They see, (10) feel, believe	We see, we feel, believe
Just like we do	Just (21) you
They're laughing, and crying	We're (22) and crying
Wanna live here	Wanna live here
Like me and you	We see, we feel, believe
Eyes without light	Just like you
Too tired of good-byes	We're laughing and crying
Never felt embraced	Wanna live here
And (11) of every face	Just like you
A (12) in disguise
