## Forgotten Children by Tokio Hotel

## Fill in the gaps

Just a (1) day	Hope forever died
Streets turn into graves	Lost and so alone
Traces (2) been removed	Born but never known
The search was disapproved	Left all on their own
So cold the night	Forgotten children
The weak ones lose the fight	We'll never hear a name
Too (3) of them out there	They carry all the blame
Noone seems to care	Too young to break the chains
Lost and so (4)	Forgotten children
Born but never known	They see, they feel, believe
Left all on their own	Just like we do
Forgotten children	The're (6) and crying
We'll never hear a name	Wanna live here
They carry all the blame	Like me and you
Too young to break the chains	It shouldn't really be that way
Forgotten children	It shouldn't (7) be that way
They see, they feel, believe	We see, we feel, believe
Just like we do	Just like you
They're laughing, and crying	We're laughing and crying
Wanna (5) here	Wanna (8) here
Like me and you	We see, we feel, believe
Eyes without light	Just like you
Too tired of good-byes	We're (9) and crying
Never felt embraced	Wanna live here
And frightened of every face	Just like you
A life in disguise
