

## Fill in the gaps

Some say I'll be (1) you	We'll almost fall (14) then burn the pieces
But they don't know you like I do	To watch (15) turn to dust
Or at least the sides I thought I knew	But nothing (16) ever (17) us
I can't bare this time	I won't go
It drags on as I lose my mind	I can't do it on my own
Reminded by things I find	If (18) ain't love, then what is?
Like notes and clothes you (3) behind	I'm (19) to take the risk
Wake me up, wake me up when all is done	I won't go
I won't (4) until this battle's won	I can't do it on my own
My dignity's become undone	If (20) ain't love, then what is?
But I won't go	I am willing to take the risk
I can't do it on my own	Will he will he still remember me?
If this ain't love, then what is?	Will he still love me even (21) he's free?
I'm (5) to (6) the risk	Or will he go back to the (22) where he
I won't go	Would choose the (23) over me?
I can't do it on my own	When we spoke yesterday
If this ain't love, then what is?	He (24) to hold my (25) and sit
I'm willing to take the risk	and wait
So petrified, I'm so scared to step into (7) ride	"I'll be home so soon, I won't be late"
What if I lose my heart and fail declined?	He won't go
I won't forgive me if I give up trying	He can't do it on his own
I (8) his voice today	If this ain't love, then what is?
I didn't know a (9) word he said	He's willing to take the risk
Not one resemblance to the man I met	So I won't go
Just a vacant (10) boy instead	He can't do it on his own
But I won't go	If this ain't love, then what is?
I can't do it on my own	Willing to (26) the risk
If this ain't love, then (11) is?	Cause he won't go
I'm willing to take the risk	He can't do it on his own
I won't go	If this ain't love, then what is?
I can't do it on my own	We're willing to take the risk
If (12) ain't love, (13) what is?	I won't go
I am willing to take the risk	I can't do it on my own
There will be times	If this ain't love, then what is?
We'll try and give it up	I'm willing to take the risk
