Daydreamer	Daydreamer
Sitting on the seat	With (3) that make you melt
Soaking up the sun	He lends his coat for (4) plus he's there for
He is a real lover	you
Making up the past	When he shouldn't be
And feeling up his girl	But he stays all the same, waits for you
Like he's never felt her figure before	Then sees you through
A jaw dropper	There's no way
Looks good when he walks	I could describe him
He's the subject of their talk	All I say is
He would be hard to chase	Just (5) I'm hoping for
But good to catch and he could (1) the wo	orld But I (6) (7) him
With his hands behind his back (oh)	Sitting on my doorstep
You can find him	Waiting for a surprise
Sitting on your doorstep	And it will feel like
Waiting for a surprise	He's (8) (9) for hours
And it will feel like	And I can tell that he'll be there for life
He's (2) there for hours	And I can tell that he'll be there for life
And you can tell that he'll be there for life
