

I tried

To stretch the truth

Fill in the gaps

	But didn't lie
Should I?	It's not so bad
Could I?	When you (2) (3) it
Have said the wrong things right	I should have drove all night
A thousand times	I would have run all the lights
If I could just rewind	I was misunderstood
I see it in my mind	I stumbled like my words
If I could turn back time	Did the best I could
You'd (1) be mine	I hanging outside your door
You cried	I've been (4) before
I died	Misunderstood
I should have shut my mouth	I stumbled like my words
Things headed south, yeah	Did the best I could
As the words slipped off my tongue	Damn
They sounded dumb	Misunderstood
If this old heart could talk	Intentions good
It'd say you're the one	It's you and I
I'm wasting time	Just think about it
When I think about it	I (5) have (6) all night
I should have drove all night	I (7) have run all the lights
I would have run all the lights	I was misunderstood
I was misunderstood	I stumbled like my words
I stumbled like my words	Did the best I could
Did the best I could	Misunderstood
Damn	I hanging outside your door
Misunderstood	I've been here before
Could I?	Misunderstood
Should I?	I stumbled like my words
Apologize for sleeping on the couch that night	Did the (8) I could
Staying out too late with all of my friends	Damn
You found me passed out in the yard again	Misunderstood
You cried	Intentions good
