

Fill in the gaps

	But didn't lie
Should I?	It's not so bad
Could I?	When you think about it
Have said the wrong (1) right	I should have drove all night
A thousand times	I would have run all the lights
If I could (2) rewind	I was misunderstood
I see it in my mind	I (16) like my words
If I could turn back time	Did the best I could
You'd (3) be mine	I (17) outside your door
You cried	I've been (18) before
I died	Misunderstood
I should (4) shut my mouth	I stumbled (19) my words
Things headed south, yeah	Did the best I could
As the words slipped off my tongue	Damn
They sounded dumb	Misunderstood
If (5) old (6) could talk	Intentions good
It'd say you're the one	It's you and I
I'm wasting time	Just think about it
When I think (7) it	I should have (20) all night
I (8) (9) drove all night	I (21) have run all the lights
I would have run all the lights	I was misunderstood
I was misunderstood	I (22) like my words
I (10) like my words	Did the (23) I could
Did the best I could	Misunderstood
Damn	I hanging outside your door
Misunderstood	I've (24) here before
Could I?	Misunderstood
Should I?	I stumbled like my words
Apologize for (11) on the	Did the best I could
(12) (13) night	Damn
Staying out too late with all of my friends	Misunderstood
You (14) me passed out in the yard again	Intentions good
You cried	
I tried	
To (15) the truth
