Misunderstood by Bon Jovi

Fill in the gaps

			But didn't lie	
Should I?			It's not so bad	
Could I?			When you think about it	
Have said the wrong things right			I should have (4)	all night
A thousand times			I would (5) run all the lights	
If I could just rewind			I was misunderstood	
I see it in my mind			I stumbled like my words	
If I could turn back time			Did the best I could	
You'd still be mine			I (6)	outside your door
You cried			I've been here before	
I died			Misunderstood	
I should have shut my mouth			I (7)	like my words
Things headed south, yeah		Did the best I could		
As the words (1)		off my tongue	Damn	
They sounded dumb			Misunderstood	
If this old heart could talk			Intentions good	
It'd say you're the one			It's you and I	
I'm wasting time			Just think about it	
When I think about it			I should have (8) all night	
I should have drove all night			I would have run all the lights	
I would have run all the lights			I was misunderstood	
I was misunderstood			I stumbled like my words	
I stumbled like my words			Did the (9) I could	
Did the best I could			Misunderstood	
Damn			I hanging outside your door	
Misunderstood			I've been (10) before	
Could I?			Misunderstood	
Should I?			I stumbled like my wor	ds
Apologize for (2)		on the couch that night	Did the best I could	
Staying out too late with all of my friends			Damn	
You found me passed out in the yard again			Misunderstood	
You cried			Intentions good	
I tried
