And I'm alone (18)_____ you

Fill in the gaps

Somethin' Stupid by Robbie Williams & Nicole Kidman

I know I stand in line	The time is right
Until you (1) you have the time	Your perfume fills my head
To (2) an (3) (4)	_ The stars get red
me	And oh, the night's so blue
And if we go some place to dance	And then I go and (19) it all
I know (5) there's a chance	By saying something stupid
You won't be leaving (6) me	Like: "I (20) you"
And afterwards we drop into a quiet little place	The time is right
And have a (7) or two	Your perfume (21) my head
And then I go and spoil it all	The stars get red
By saying something stupid	And oh, the night's so blue
Like: "I (8) you"	And (22) I go and spoil it all
I can see it in (9) eyes	By (23) something stupid
You still despise the (10) old lines	Like: "I love you"
You (11) the night before	"I (24) you"
And though it's just a line to you	"I love you"
For me it's true	"I love you"
And never seemed so (12) before	"I (25) you"
I practice everyday	"I love you"
To find (13) clever lines to say	
To make the meaning come true	
But (14) I (15) I'll wait	
Until the (16) (17) late
