I know this is something I gotta do	my boo
But that don't mean I want to	You've been gone for too long
What I'm trying to say is that I love you, I just	It's been fifty-leven days, um-teen hours

And it's better for me to let it go now	When your feeling ain't the same
Than hold on and (1) you	And your body don't want to
I gotta let it burn	But you know, gotta let it go
It's gonna burn for me to say this	Cuz the party ain't jumping like it used to
But it's coming from my heart	Even though (7) might bruise you, let it burn
It's been a long time coming	Let it burn, you gon' burn, gotta let it burn
But we done been fell apart	Deep down, you know it's best for yourself but you

Plus there's so many other things I gotta deal with	On the other side, I wanna break down and cry
I think that you should let it burn	I'm twisted cuz one side of me
When (3) (4) ain't the same	Is (8) me that I need to move on
And your body don't want to	On the other side, I wanna break down and cry, yeah

Even though this might (5) you, let it burn	Can you feel me burning?
Let it burn, gotta let it burn	Can you feel me burning?
Deep down, you know it's best for yourself, but you	So many days, so many hours
Hate the thought of her being with someone else	I'm still burning till you return
But you know that it's over	When your feeling ain't the same
We knew it was through, let it burn	And your body don't want to
Let it burn, let it burn	But you know, gotta let it go
(Gotta let it burn) Sending pages I ain't supposed to	Cuz the party ain't jumping like it used to
Got somebody here but I want you	Even though this might bruise you, let it burn

Found myself calling her your name	Deep down, you know it's best for yourself but you
Ladies, tell me do you understand?	Hate the thought of her being (9) someone else
Now all my fellas do you feel my pain?	But you know that it's over

I know she ain't coming back
