If You're Gone by Matchbox Twenty

I think I've (1)	lost you	That I know too much
I think you're already gone		I can't relate and that's a problem
I think I'm finally scared now		I'm feeling
And you think I'm weak		If you're gone
I think you're wrong		Maybe it's time to come home
I (2) you're already leaving		There's an awful lot of breathing room
Feels like (3) hand is on the door		But I can (8) move
I thought this place was an empire		If you're gone
And now I'm relaxed		Baby, you need to come home (come home)
I can't be sure		There's a little bit of something me
And I think you're so mean		In everything in you
I think we should try		I think you're so mean
I think I could need this in my life		I (9) we should try
