

Fill in the gaps

I (1) I've already (2) you	That I (15) too much
I think you're already gone	I can't relate and that's a problem
I think I'm finally scared now	I'm feeling
And you think I'm weak	If you're gone
I think you're wrong	Maybe it's time to come home
I think you're already leaving	There's an awful lot of breathing room
Feels like (3) (4) is on the door	But I can hardly move
I thought (5) place was an empire	If you're gone
And now I'm relaxed	Baby, you need to (16) home (come home)
I can't be sure	There's a (17) bit of something me
And I think you're so mean	In everything in you
I think we should try	I think you're so mean
I think I could need (6) in my life	I think we should try
And I think I'm scared	I think I could need this in my life
I think too much	And I (18) I'm scared
I know it's wrong	Do I talk too much
It's a (7) I'm dealing	I know it's wrong
If you're gone	It's a problem I'm dealing
Maybe it's time to come home	If you're gone
There's an (8) lot of breathing room	And maybe it's time to (19) home
But I can hardly move	But there's an awful lot of breathing room
If you're gone	But I can hardly move
Baby, you need to come home (come home)	And if you're gone, yeah
'Cause there's a little bit of something me	Baby, you need to come (20) (come home)
In everything in you	There's a (21) bit of something me
I bet you're (9) to get over	In everything in you
I bet the room (10) won't shine	Something me
I bet my hands I can stay here	Everything in
I bet you need (11) (12) you mind	Something me
And I (13) you're so mean	In you
I think we should try	
I think I could need (14) in my life	
I think I'm scared
