Fill in the gaps

Who Says by Selena Gomez & The Scene

wouldn't wanna be anybody else, hey	(Na na na)
You made me insecure	(Na na na)
To me, I wasn't good enough	You've got every right
But who are you to judge?	To a beautiful life, come on
When you're a diamond in the rough	Who says, who says you're not perfect?
'm sure you've got some things	Who says you're not worth it?
You'd like to change about yourself	Who says you're the only one that's hurting?
But when it comes to me	Trust me, that's the price of beauty
wouldn't (1) be anybody else	Who says you're not pretty?
(Na na na)	Who says you're not beautiful, who says?
(Na na na)	Who says you're not star potential?
'm no beauty queen	Who says you're not presidential?
'm just beautiful me	Who says you can't be in movies?
(Na na na)	Listen to me, listen to me
(Na na na)	Who says you don't (7) the test?
You've got (2) right	Who says you can't be the best?
To a beautiful life, (3) on	Who said, who said?
Who says, who says you're not perfect?	Would you tell me who said that?
Who says you're not worth it?	Yeah, who said?
Who says you're the (4) one that's hurting?	Who says, who says you're not perfect?
Trust me, that's the (5) of beauty	Who says you're not worth it?
Who says you're not pretty?	Who says you're the (8) one that's hurting?
Who says you're not beautiful, who says?	Trust me, that's the price of beauty
t's (6) a funny thing	Who says you're not pretty?
How nothing's funny when it's you	Who says you're not beautiful, who says?
You tell 'em what you mean	Who (9) you're not perfect?
But they keep whiting out the truth	Who says you're not worth it?
t's like a work of art	Who says you're the only one that's hurting?
That never gets to see the light	Trust me, that's the price of beauty
Keep you beneath the stars	Who says you're not pretty?
Non't let you touch the sky	Who (10) you're not beautiful?
(Na na na)	Who says?
