

Pull out some hope for me

## Fill in the gaps

It's sitting by the overcoat	It's been a long day
The (1) shelf, the note she wrote	Always ain't that right
That I can't bring myself to throw away	And no Lord your hand won't stop it
And also	Just (4) you trembling
Reach she said for no one else but you	It's been a long day
Cuz you won't turn away	Always ain't that right
When someone else is gone	(Oh) Ain't that right?
I'm sorry 'bout the attitude	It's me
I (2) to give when I'm with you	(Yeah) Well I can't get (5) to go away
But no one else would take this shit from me	(Hey) Well it's me
And I'm so terrified of no one else but me	Yeah well I can't get myself to go away
I'm here all the time	Oh God I shouldn't feel this way now
I won't go away (yeah)	Reach down your hand in your pocket
It's me	Pull out some hope for me
(Yeah) Well I can't get myself to go away	It's been a long day
(Hey) It's me	Always ain't that right
And I can't get myself to go away	And no Lord your hand won't stop it
Oh God, I shouldn't feel this way now	Just keep you trembling
Reach down your hand in your pocket	It's been a long day
Pull out some hope for me	Always ain't that right
It's been a long day	Yeah
Always ain't that right	Reach down your hand in your pocket now
And no Lord your hand won't stop it	Reach down (6) hand right now
Just keep you trembling	It's been a long day, always
It's been a long day	Ain't that right?
Always ain't that right	Reach down your hand in your (7) nov
Well I'm surprised that you'd believe	Reach (8) (9) hand right now
In anything (3) comes from me	It's been a long day, always
I didn't hear from you or from someone else	Ain't that right?
And you're so set in life man	(Oh) Ain't that right?
A pisser they're waiting	Ain't that (10) right right on child?
Too damn bad you get so far so fast	Right right on child right right on child
So what, so long	
Reach down your hand in your pocket
