Hold It Against Me by Britney Spears

Hey over there	So I'm asking you tonight
Please forgive me	If I said my heart was beating loud
f I'm coming on too strong	If we (8) escape the (9) somehow
Hate to stare	If I said I want your body now
But you're winning	Would you hold it (10) me
And they're playing my favorite song	Cause you feel like paradise
So come here	I need a vacation tonight
A little closer	So if I (11) I want your body now
Wanna whisper in your ear	Would you (12) it against me
Make It clear	If I (13) I want your body
Little question	Would you (14) It Against Me?
Nanna (1) just how you feel	
f I (2) my heart was (3) loud	Gimme something good
f we could escape the crowd somehow	Don't wanna (15) I (16) It now
f I said I want your (4) now	(na-na-now)
Nould you hold it against me	Pop It like a hood
Cause you feel like paradise	And show me how you work It out
And I need a vacation tonight	(Alright)
So if I said I want (5) body now	(If I said my heart was beating loud)
Nould you hold it (6) me	If I (17) I (18) (19)
	(20) now
Hey You might think	Would you hold it against me
That I'm crazy	If I said my heart was beating loud
But I you know I'm (7) your type	If we could (21) the (22)
'mma be a little hazy	somehow
But you just cannot deny	If I said I want your body now
There's a spark in between us	Would you hold it against me
When we're dancing on the floor	Cause you feel like paradise
want more	And I need a vacation tonight
Wanna see It	So if I said I want your body now
	Would you hold it (23) me
