Starry (1) bring me down			
'Til I realize the moon			
It seems so distant yet			
(2) it pass right through			
And I see (3) I see			
A new world is over me			
So I'll reach up to the sky			
And pretend that I'm a spaceman			
In another (4) and time			
I guess I'm lookin' for a brand new place			
Is there a better life for me?			
Subtle wind blow me gone			
Let me rest upon your move			
I trust I'll end up sleeping, cradled in my doom			
And I feel what I feel			
I can't grasp what is not real			
So I'll get (5) real high			
And imagine I'm a spaceman			

In (6)	(7)	and time	
I guess I'm lookin' for a brand new place			
Is there a better life for me?			
I remember in my mind			
They say I'm daydreamin'			
Is it all that it seems	3		
Or am I all the things I'm looking for? yeah!			
And I see what I see	е		
A new (8)	is (9)	me	
And I'll reach up to the sky			
And imagine I'm a			
Spaceman, in another place and time			
I guess I'm lookin' for a brand new place			
I remember living in a different life			
Is there a better life for me?
