Kiss The Stars by Pixie Lott

...
Baby baby, we're on the rocket
Venus and mars now, can't be apart now
Baby baby, put me in your pocket
We're on a mission, get in position
Put the plug in the socket
Give me all your power
When you turn it on I can go for hours
Hit the switch, push the button, baby
Then you'll see
We can have it all, baby, you and me
Kiss the stars tonight
You and me, oh, we will
Write our (1)_____ in lights
They will see we're in (2)_____ tonight
Love tonight, we're in love tonight
Love tonight, love tonight
We're in love tonight
...
Baby baby, we're on the rocket
Wherever we land you'll be my spaceman
Baby baby, we're supersonic
Now we together will (3)_____ forever
Put the (4)_____ in the socket
Give me all your power
When you turn it on I can go for hours
Hit the switch, push the button, baby
Then you'll see
We can have it all, baby, you and me

Write our (5)_____ in lights
They will see we're in love tonight
