Venus and mars now, can't be apart now

Baby baby, put me in your pocket

We're on a mission, get in position

Put the (1)_____ in the socket

Give me all (2)_____ power

When you turn it on I can go for hours

Hit the switch, push the button, baby

Then you'll see

We can (3)_____ it all, baby, you and me

Kiss the stars tonight

You and me, oh, we will

Write our name in lights

They will see we're in love tonight

Love tonight, we're in love tonight

Love tonight, love tonight

We're in (4)_____ tonight

Wherever we land you'll be my spaceman

Hit the switch, push the button, baby

Then you'll see

We can have it all, baby, you and me

Kiss the stars tonight

You and me, oh, we will

Write our name in lights
