

Fill in the gaps

Let's start in style, let's (1) for a while	Some are a melody and some are the beat
Heaven can wait we're only watching the skies	Sooner or later they all (7) be gone
Hoping for the best, but expecting the worst	Why don't they stay young?
Are you gonna drop the bomb or not?	It's so hard to get old without a cause
Let us stay (2) or let us live forever	I don't want to (8) like a fading horse
We don't have the power, but we (3) say never	Years like diamonds in the sun
Sitting in the sandpit, (4) is a short trip	And diamonds are forever
The music's for the sadman	So many advantages given up today
Can you imagine when this race is won	So many songs we forgot to play
Turn out all the faces (5) the sun	So many dreams (9) out of the blu
Praising our leaders, we're (6) in tune	Oh let it come true
The music's played by the madman	Forever Young
Forever Young	I want to be Forever Young
I want to be Forever Young	Do you really want to live forever?
Do you really want to live forever?	Forever, you'll never
Forever, you'll never	Forever Young,
Forever Young,	I want to be Forever Young
I want to be Forever Young	Do you (10) want to live forever?
Do you really want to live forever?	Forever Young.
Forever Young	
Some are like water, some are like the heat
