

Let's start in style, let's dance for a while

Fill in the gaps

Heaven can (1) we're only watching the skies
Hoping for the best, but expecting the worst
Are you gonna drop the bomb or not?
Let us stay young or let us (2) forever
We don't have the power, but we never say never
Sitting in the sandpit, life is a short trip
The music's for the sadman
Can you imagine when (3) race is won
Turn out all the faces (4) the sun
Praising our leaders, we're getting in tune
The music's played by the madman
Forever Young
I want to be Forever Young
Do you really want to live forever?
Forever, you'll never
Forever Young,
I want to be Forever Young
Do you really want to live forever?
Forever Young
Some are (5) water, (6) are like the
heat

Some are a melody an	d some are the beat	
Sooner or (7)	they all will be gone	
Why don't they stay young?		
It's so (8) to	get old without a cause	
I don't want to perish (9) a fading horse	
Years like diamonds in	the sun	
And diamonds are fore	ever	
So many advantages of	given up today	
So many songs we for	got to play	
So many dreams swing	ging out of the blue	
Oh let it come true		
Forever Young		
I want to be Forever Ye	oung	
Do you really (10)	to live forever?	
Forever, you'll never		
Forever Young,		
I want to be Forever Ye	oung	
Do you really want to li	ve forever?	
Forever Young.
